-K. OF C. WAR FUND CAMPAIGN NEAR END

Workers Planning to Make This Record Day of Big Drive.

GOV. WHITMAN HELPING

Cardinal Farley Makes Final Appeal-All Ready for · Whirlwind Finish.

With workers in all banks, hotels, railway stations and posed on all streets the Catholics hope to make this, the last cay of the Knights of Columbus War Fund drive, the record day of the cam-

Special meetings were held yesterday in each of the 297 parishes in the archdiocese with a view to making plans which will bring the great campa'en to a whirlwind finish. Cardinal Farley is- the archdiocese. sued his last appeal to the churches, asking the members to give the Ger-mans an answer to their great assault. Bishop Hayes also lent his efforts yesterday in stirring up some of the weak parlahes by personally appealing to them to get in and do their full bit, according to the quotas assigned to them.

Aside from a few solicitors on the streets yesterday most of the day was spent in counting the returns and laying the plans of attack for to-day.

At the request of the Rev. Richard J. Keefe of St. John's Church, White Plains, Gov. Whitman made a special trip and delivered an address at a mass. meeting in the White Plains High School Auditorium yesterday. Gov.

"Somewhat over a year ago when the selective draft act was before Congress we heard in different parts of the coun-try those who said that the American try those who said that the American people were not militaristic and that they couldn't be forced into the army—that conscription would be resisted. Then, when the bill was signed I and, I suppose, the Governors of many other States, were informed that there would be riots and much bloodshed when the time came for the men to be called.

Responded With's Will.

"These same people said that the men of this country could not be taken and forced into the ranks and that we had

ing of those who are willing to give everything that this nation might live."

Gov. Whitman will speak to-night for the Catholic drive in the armory at Youkers. He will have as an escort twenty motor cars, in parade formation, under the direction of the Woman's Motor Corps of America. The corps will leave GREAT BAPTIST DRIVE OPENS. its headquarters at 21 East Fifty-seventh street and will escort the Governor from the New York city line to the Yonkers armory. The guard of honor will consist of about seventy-five women, der the command of Capt. Helen I tedo, uniformed in the service khaki of the Motor Corps.

The first showing of the motion ple-

ture "The Cross Hearer" was given last r Fund. These performances will Wednesday night, by which time it is expected that this picture, which was from the World Film Corporation, a fift from the World Film Corporation, will have contributed a goodly sum to the funds of the campaign. Wednesday night will be devoted to the downtown

The Right. Rev. Patrick J. Hayes, D. D. Bishop of New York and by a special apointment of the Pope, chaplain-general the United States forces, received a letter yesterday from Chaplain Osiah Boucher, who was recently awarded the Croix de Guerre by the French Government for bravery at the front. The let-

write these few lines from just out of the trenches and at the rest camp. somewhere in France. You have heard ow my battalion distinguished itself at enthusiastic in their praise of us. I renained close to the men during the en tire time. I went to the front trenches every day and Sunday I said mass in the front trench and also in the support dug out. Before each company went into the trenches I heard their confessions and gave holy communion.

my Major has recommended me for the War Cross. It is very kind of him, but as far as I am concerned I only performed my duty. When duty called me out there in the open, amid the shells and bullets. I went I went over the top with the men, so there is no merit on my part.

"I am well and expect to return to the trenches with my battalion very shortly Officers and boys are in good spirits and full of courage, ready to do all to crush the Boches. Yours faithfully, "Chaplain Boucher."

"Chaplain Boucher."

"Mr. Kahn's statements were the result to information given him by Hepresentative Isaac Siegel, president of the sentative Isaac Siegel, preside

the Boches. Yours faithfully, "Chaplain Bouches."

The Rev. James Fitzsimmons of St. Gregory's Church in West Ninetieth afrect announced yesterday that Vincent Astor had cabled \$1,000 to the New York Catholic War Fund. Mr. Astor is now serving in France with the American overseas forces. The parish of St. Elizabeth's, at 187th etreet and Broadway, will hold a parade to-night. It will start at 8 o'clock, at 170th street and St. Nicholar avenue. can overseas forces. The parish of Si-Elizabeth's, at 187th street and Broad-way, will hold a parade to-night. It will start at 8 o'clock, at 170th street and St. Nicholas avenue, and will proceed to fisist street, where there will be a num-ber of speeches. Music for the march-ers will be provided by the band of the New York Institution for the Deaf and Tumb.

Dumb.
Little Walter Lönihee Engles has been doing his bit for the parish of St. Anthony's Church, at 166th street and Prospect avenue, hy standing in front of the French Art.

Will be among the speakers.

After the luncheon there will be a private showing of examples of eighteenth century art at the Museum of French Art.

Public Library on Fifth avenue dressed in the uniform of a Second Lieutenant. He and his little sister, Dorothy, dressed as a Red Cross nurse, have delivered addresses to crowds of admiring listeners from a soapbox platform. And the appeals of these two tiny patriots have been generously responded to by both men and women who have been atbeen generously responded to by both men and women who have been at-tracted by their small voices and have stopped to hear them speak.

For the last few days it has been esti-mated that 100,000 women and children have been on the streets collecting funds for the companion.

for the campaign. At the headquarters there has been a feeling that the fund would not only reach the \$2,500,000 mark that was set but that it would exmark that was set but that it would exceed that figure by no small amount. The programme for the last day's work calls for continuous efforts from 7 o'clock this morning until midnight tonight. The Wall Street committee will have its regular luncheon at the Bankers Club this noon, and it is expected that it will have a large number of very substantial contributions to announce. To-morrow this committee will To-morrow this committee will hold its final meeting. No figures were made public by the campaign managers yesterday, for they were busy getting the wheels olled for this last big push.

Anxious to Fill Quotas.

The few parishes whose quotas had not been reached yesterday were boistered up by special speakers, and as a result will start to-day with new spirit, fighting to close the contest on an equal footing with the rest of the parishes in the archdiocese. But what the grand total will finally be is something that the oldest campaigner and the most experienced accountant in headquarters have been unable to predict. have been unable to predict.

The Federal Reserve Bank, by working hishifts of clerks, has now delivered to separate coupon bonds of this issue. separate coupon bonds of this issue, representing \$1.075,097,800, leaving only This the committee considers to be an to the fact that \$1,627,926 of the bonds

Many \$50 Bonds Issued.

"It is estimated that the total num-ber of owners of \$50 bonds of the second Liberty loan exceeds by much more than 100 per cent, the aggregate number of stockholders of the United States Steel

Department of \$1,163,475,200. Big Task in Distribution.

The following shows the task that confronted the bond issue division of the Reserve Bank:

"More than a month ago the bond issue division had broken the back of the job, but the delay in getting off the last few thousand lots postponed the windup until new. Up to February 15, 1568,935 pieces of the \$50 coupon second fours had been delivered, \$01,476 of the \$100 bonds, 109,849 of the \$500 bonds, 595,367 of the \$1,000, 12,672 of the \$5,000 bonds and most all of the \$10,000 bends.

"The work of getting the coupon second fours out of the Federal Reserve Bank has occupied a large staff of men for several months. At times the unsteading of securities has had half a score of men under him. The delivery departs

todian of securities has had half a score of men under him. The delivery department has handled from a dozen to two dozen men at the job. The machinery of the bond issue division is in swift and efficient working order."

These figures of the number of subscribers to the second loan were given out yesterday: Manhattan, 941.755;
Kings, 140.950; Queens, 22.054; Richmond, 7.248; Bronx county, 8.992; total for the district, 1.122.115.
